Auditor's Report

To the Shareholders' of

Telecom Egypt Company

We have audited the accompanying consolidated financial statements of Telecom Egypt Company (An Egyptian Joint Stock Company) and its subsidiaries, represented in the consolidated balance sheet as of December 31, 2006 and the related consolidated statements of income, cash flows and changes in equity for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Egyptian Standards on Auditing and in the light of provisions of applicable Egyptian laws and regulations. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We have obtained the information and explanations, which we deemed necessary for our audit. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above together with the notes attached thereto present fairly, in all material respects, the consolidated financial position of the company as of December 31, 2006 and the results of its operations and its cash flows for the year then ended, in accordance with Egyptian Accounting Standards, and comply with applicable Egyptian laws and regulations.
